Report title

Co-authors _____

I am going:

- to make a report
- to participate as a listener
- to participate remotely
-

Electronic application form can be filled in at information support of the conference

GUIDELINES AND REQUIREMENTS

Conference papers should contain a brief description of the general problem and the relevance of unresolved problems, the formulation of the problem under consideration, a description of the methods of solving the problem, the results obtained, conclusions, list of references. The papers should contain 1 or 2 full pages of A4 format, in one of the conference languages.

The presentation of the material in the conference papers:

- title of the report – capital letters without indent, bold, center alignment;
- surname and initials of the author (co-authors) not indented, italicized, center alignment;
- the name of the organization, its full postal address without a paragraph indent, in italics, center alignment;
- the main text of the report should be written from the next line and from the paragraph;
- formulas and drawings are placed in the text of the report using center alignment, the captions to drawings should be written in bold with center alignment;
- list of references should be placed in the end of the report according to the order of reference to them in the text, in italics.

Text should be written in MicrosoftWORD format, margins (mm): upper - 20, bottom - 25, left - 30, right - 15. Times New Roman 14 pt font should be used for normal text. Paragraph should be indented 10 mm. The normal line spacing is 1.0 times of the font size.

For typing formulas use the built-in Microsoft Office editor Equation v3.0. Style: Text – Times New Roman, Function – Times New Roman. Illustrations for papers (diagrams, graphs, charts) must be presented in raster or vector formats (BMP, TIF, PCX, JPG, GIF, CDR). Do not use the MSWORD Graphics Editor!

Receiver: Ivano-Frankivsk National Technical University of Oil and Gas; State registration code 02070855. Receiving bank: State Treasury Service of Ukraine, Sort code 820172, Operating account №31259290204276. Certificate of taxpayer 12872203, individual. tax number 020708509155.

Attention! In the payment order, please specify: „8th Conference NT and TD”.

8th International scientific-technical conference in memory of Professor Ihor Kasil

„ MODERN DEVICES, MATERIALS AND TECHNOLOGIES FOR NON-DESTRUCTIVE TESTING AND TECHNICAL DIAGNOSTICS OF ENGINEERING, OIL AND GAS FIELD EQUIPMENT”

November 14 – 16, 2017

Ivano-Frankivsk

Information letter

Information support:

http://www.nung.edu.ua/en/mdqc_2017

Scientific and technical journals

«Methods and tools of quality control», «Oil and gas power engineering», «Scientific bulletin of Ivano-Frankivsk national technical university of oil and gas»

Conference organizers:

MINISTRY OF EDUCATION AND SCIENCE OF
UKRAINE

IVANO-FRANKIVSK NATIONAL TECHNICAL
UNIVERSITY OF OIL AND GAS (IFNTUOG)

NATIONAL TECHNICAL UNIVERSITY OF UKRAINE
"IGOR SIKORSKY KYIV POLYTECHNIC INSTITUTE"

INSTITUTE OF ENGINEERING THERMOPHYSICS OF
NATIONAL ACADEMY OF SCIENCES OF UKRAINE

NJSC "NAFTOGAZ OF UKRAINE"

PJSC „UKRGZVYDOBUVANNA"

PJSC „UKRTRANSGAZ"

UKRAINIAN PETROLEUM ACADEMY
UKRAINIAN SOCIETY
FOR NON-DESTRUCTIVE TESTING

SPF „ULTRAKON" (UKRAINE)

SPF „DIAGNOSTIC DEVICES" (UKRAINE)

SPF „ZOND" (UKRAINE)

PJSC „IVANO-FRANKIVSKGAZ"

The conference aims at solving the actual problems of improving the reliability of nondestructive testing (NT) and technical diagnostics (TD) of engineering and oilfield equipment.

Conference venue: Ivano-Frankivsk national technical university of oil and gas

Conference languages: Ukrainian, Russian, English.

Deadlines:

Applying for participation –	until 06.11.2017
Submission of papers –	until 06.11.2017
Payment for participation in the conference –	until 10.11.2017

Address and phone of the organizing committee of the conference

Ivano-Frankivsk national technical university of oil and gas, 15 Karpatska Street 76019.

Phone.: (0342) 72-71-68, 72-71-52

Fax: (0342) 54-71-39

E-mail: zarichna@nung.edu.ua, mpkyakaf@gmail.com

Conference proceedings

may be submitted using application form

<http://www.nung.edu.ua/en/mdqc/conference2017>

Organizational committee:

Ye. Kryzhanivskiy (Rector of IFNTUOG) – chair;

V. Troitskiy (Paton Electric Welding Institute of NAS of Ukraine, Kyiv) – deputy chair;

O. Karpash – IFNTUOG, deputy chair;

O. Serediuk – IFNTUOG;

V. Babak – Institute of Engineering Thermophysics of National Academy of Sciences of Ukraine;

M. Jonsa – Opole University of Technology, Poland;

Z. Varsha –

Industrial Research Institute for Automation and Measurements, Poland;

Kh. Radev – Bulgaria;

T. Rigishvili – Director of Georgian society of NT, Georgia;

O. Khakimov – SRI of standardization, metrology and certification, Uzbekistan;

O. Bodnar – Federal Institute of Physics and Technology, Germany;

O. Pavlii – SPF «Diagnostic devices», Kyiv;

I. Pavlii – SPF «Ultrakon», Kyiv;

S. Chekhovskiy – IFNTUOG;

P. Raiter – IFNTUOG.

Committee secretaries:

Yu. Striletskyi (IFNTUOG);

A. Vynnychuk (IFNTUOG);

V. Myndiuk (IFNTUOG)

CONFERENCE SCHEDULE:

November 14, Tuesday:

9 a.m.-10 a.m. – arrival and registration of conference participants,

10 a.m.-1 p.m. – opening of the conference, plenary session;

2³⁰ p.m.-5 p.m. – sectional meetings;

November 15, Wednesday:

9 a.m.-1 p.m. – sectional meetings;

2³⁰ p.m.-5 p.m. – out-of-site seminars at the enterprises of Ivano-Frankivsk and Ivano-Frankivsk region.

November 16, Thursday:

10 a.m.-1 p.m. – sectional meetings, closing of the conference, departure of the conference participants.

Scientists and specialists of academic, research and design institutes, higher educational establishments, power engineering enterprises, enterprises of the fuel and energy complex, in particular oil and gas production, oil refining industries, pipeline

transport, storage of oil, gas and petroleum products, are invited to participate in the conference.

MAIN TOPICS OF THE CONFERENCE:

1. Physical bases of NT and TD
2. Modern equipment for conducting NT and TD
3. Technology of carrying out of NT and TD of engineering and oil and gas equipment
4. Standardization, certification and metrological support of NT and TD
5. Methods and devices for controlling the qualitative characteristics of materials and products

Published materials

On the basis of the submitted conference papers, a collection of conference reports abstracts will be published. The best problem reports selected by the organizing committee will be recommended for publication in the scientific and technical journal "Methods and quality control devices". At the same time, the volume of such papers should be 8 - 12 pages, which should be written in accordance with the requirements of the specified journal.

Fees and payments. Registration fee per one participant of the conference: for citizens of Ukraine - 200 UAH., for foreign citizens - 50 USD., for postgraduate students – 100 UAH.

The materials of the conference and its program will be issued to the conference participants at the registration.

Hotel accommodation and meals are paid separately by participants of the conference.

The need to book accommodation is to be agreed with the organizing committee.

Please buy return tickets beforehand.
